- (ii) Estimates of total expenses related to admission to trading: Not Applicable

2. RATINGS

Ratings: The Notes to be issued have been rated by the following credit rating agencies:

S & P: A+ (Negative Outlook)

Moody's: A2 (Stable Outlook)

Fitch: A+ (Stable Outlook)

Each of S&P, Moody's and Fitch is established and operating in the European Community and registered under the CRA Regulation, as set out within the list of registered CRAs dated 6 January 2012¹ by ESMA (<http://esma.europa.eu/page/List-registered-and-certified-CRAs>).

For the purposes of the above, "**S&P**" means Standard & Poor's Ratings Services, a Division of the McGraw Hill Companies Inc., "**Moody's**" means Moody's Investors Service Limited, "**Fitch**" means Fitch Ratings Ltd, and "**CRA Regulation**" means Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies.

S&P: A+:

A: An obligation rated 'A' means a strong capacity to meet financial commitments, but somewhat susceptible to adverse economic conditions and changes in circumstances.

The ratings may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories.

Outlook "**negative**" means a rating may be lowered

Moody's: A2:

A : Obligations rated A are considered upper-medium grade and are subject to low credit risk.

Moody's appends numerical modifiers 1, 2, and 3 to each generic rating classification from Aa through Caa. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category.

Outlook "**stable**" means that the rating is not likely to change.

Fitch: A+ :

A: High credit quality.

'A' ratings denote expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings.

¹ Update to make reference to the latest available list of rating agencies registered under the CRA Regulation on the ESMA website.

The modifiers “+” or “-“ may be appended to a rating to denote relative status within major rating categories.

Rating Outlooks indicate the direction a rating is likely to move over a one- to two-year period. They reflect financial or other trends that have not yet reached the level that would trigger a rating action, but which may do so if such trends continue. The majority of Outlooks are generally Stable, which is consistent with the historical migration experience of ratings over a one- to two-year period.

the above mentioned ratings are the credit Yes ratings assigned to the Programme:

the above mentioned ratings are specific No credit ratings only assigned to this Tranche of Notes:

In the context of the Present Non-exempt Offer of Notes, each of the Issuer (with respect to itself) and of the Guarantor (with respect to itself and jointly and severally with the Issuer) accepts responsibility, in each Member State of the Public Offer Jurisdiction(s) for which it has given its consent referred to herein, for the content of the Base Prospectus and of these Final Terms in relation to any person (an “**Investor**”) to whom an offer of any Notes is made by any financial intermediary to whom the Issuer and the Guarantor have given their consent to use the Base Prospectus and these Final Terms (an “**Authorised Offeror**”), where the offer is made in compliance with all conditions attached to the giving of the consent. Such consent and conditions are described below under “*Consent*” and “*Common conditions to consent*”. None of the Issuer, the Guarantor nor the relevant Dealer has any responsibility for any of the actions of any Authorised Offeror, including compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to the Present Non-exempt Offer or/and any Non-exempt Offer.

Save as provided below, none of the Issuer, the Guarantor nor the relevant Dealer has authorised the making of any Non-exempt Offer and none of the Issuer and the Guarantor has consented to the use of the Base Prospectus and these Final Terms by any other person in connection with any Non-exempt Offer of Notes. Any Non-exempt Offer made without the consent of the Issuer and the Guarantor is unauthorised and none of the Issuer, the Guarantor nor the relevant Dealer accepts any responsibility or liability for the actions of the persons making any such unauthorised offer. If, in the context of a Non-exempt Offer other than the Present Non-exempt Offer, an Investor is offered Notes by a person which is not an Authorised Offeror, the Investor should check with such person whether anyone is responsible for the Base Prospectus and these Final Terms in the context of the Non-exempt Offer and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the Base Prospectus and these Final Terms and/or who is responsible for their contents within the framework of a Non-exempt Offer, it should take legal advice and refrain from investing in the Notes until the person responsible for the contents of such Base Prospectus and Final Terms is identified by the Investor and until such Investor estimates that it has received all the relevant information to make an informed assessment regarding the Notes

and take his investment decision.

(g) ensure that, by selling or offering the Notes or/and by using the Base Prospectus and these Final Terms, no holder of Notes or potential Investor in the Notes shall become an indirect or direct client of the Issuer, the Guarantor or the relevant Dealer for the purposes of any applicable Rules from time to time, and to the extent that any client obligations are created by the relevant financial intermediary under any applicable Rules, then such financial intermediary shall perform any such obligations so arising;

Notes to be offered pursuant to the Present Non-exempt Offer will be issued by the Issuer at the Issue Price as specified in these Final Terms. The Issue Price has been determined by the Issuer in consultation with the relevant Dealer at the time of the launch of the Present Non-exempt Offer and depends, amongst other things, on the interest rate applicable to the Notes and prevailing market conditions at the time the Issue Price has been determined by the Issuer. The offer price of such Notes to be used by the relevant Dealer and by each other Authorised Offeror will be the Issue Price or/and any other selling price depending on the category of Investors as specified in these Final Terms or, if in compliance with all applicable laws, rules, regulations and guidance of any applicable regulatory bodies, such other price as may be agreed between an Investor and the Authorised Offeror making the offer of the Notes to such Investor, but in compliance with the Authorised Offeror Terms regarding such price. The Issuer or the Guarantor will not be party to arrangements between an Investor and an Authorised Offeror, and the Investor will need to look to the relevant Authorised Offeror to confirm the price at which such Authorised Offeror is offering the Notes to such Investor.

11. TERMS AND CONDITIONS OF THE OFFER

- (i) Offer Price: The investors who are not Qualified Investors (as defined below) will pay the Issue Price that includes a commission (see item 41 of Part A).

The Qualified Investors will pay the Issue Price of the Principal Amount of Notes they have purchased less a discount, such resulting price being subject to change during the Offer Period based among others on (i) the evolution of the credit quality of the Issuer (credit spread), (ii) the evolution of interest rates, (iii) the success (or lack of success) of the placement of the Notes, and (iv) the amount of Notes purchased by an investor, each as determined by the Dealer in its sole discretion.

- (ii) Conditions to which the offer is subject: Each of the Issuer and the Guarantor reserves the right to withdraw the present offer, in particular, but not limited to, if the minimum amount is not placed or if there are market or other disruptions not enabling a smooth settlement of the Notes, as

determined by the Issuer in its sole discretion. Moreover, the offer of the Notes is subject to the following conditions:

- there has been no such a change in national or international financial, political or economic conditions or currency exchange rates or exchange controls as would in the view of the Issuer or the Dealer be likely to prejudice materially the success of the offering and distribution of the Notes or dealings in the Notes in the secondary market; and

(iv) Description of possibility to reduce subscriptions and manner for refunding excess amount paid by applicants: In case of early termination of the subscription period due to oversubscription or to changes in market conditions as determined by the Dealer or the Issuer in its sole discretion, allotment of the Notes will be made based on objective allotment criteria according to which the subscriptions will be served in the chronological order of their receipt by the Dealer and, if required, the last subscriptions will be reduced proportionately in order to correspond with the total amount of Notes that will be issued. Any payments made in connection with the subscription of Notes and not allotted will be redeemed within 7 Brussels Business Days (i.e., days on which banks are open for general business in Brussels) after the date of payment and the holders thereof shall not be entitled to any interest in respect of such payments.

The criteria in accordance with which the final aggregate nominal amount of the Notes will be determined by the Issuer are the following: (i) the funding needs of the Issuer, which could evolve during the Offer Period for the Notes, and which may also depend on the funding needs of the entity to which the Issuer will lend the proceeds of the Notes (ii) the levels of the interest rates and the credit

spread of the Issuer and of the Guarantor on a daily basis, (iii) the level of demand from investors for the Notes as observed by the Dealer on a daily basis, (iv) the occurrence or not of certain events during the Offer Period of the Notes giving the possibility to the Issuer and/or the Dealer to early terminate the Offer Period or not to proceed with the offer and the issue in accordance with section "Conditions to which the offer is subject" and (v) the fact that the Notes, if issued, will have a minimum aggregate amount of EUR 1,000,000 and maximum EUR 50,000,000. The final aggregate nominal amount shall be published as soon as possible after the end (or the early closing) of the Offer Period on the following website www.bnpparibasfortis.be/emissions.

Nevertheless, the Issuer reserves the right to modify the total aggregate nominal amount of the Notes to which investors can subscribe, to close earlier the subscription period and to cancel the planned issue, being understood that in the later case no Notes will be issued. Such an event will be published in the same way the Final Terms and the Base Prospectus will be published in relation to the Notes and, in case of Notes which are admitted to listing on the official list and to trading on the regulated market of the Luxembourg Stock Exchange (so long as such Notes are admitted to listing on the official list and to trading on the regulated market of the Luxembourg Stock Exchange and the rules and regulations of that exchange so require), on the website of the Luxembourg Stock Exchange.
